

BRIBE SHEET: BUCK CLETUS

If a player approaches to “bribe” you with a gold coin, read to them the following dialogue. If you’re in a busy room, simply allow them to read the sheet on their own to keep the information partial to the briber and their posse members.

BUCK CLETUS’ BRIBE INFORMATION

“I’m impressed. Where did you find this little trinket? ...Not sharing, eh? Well, if you let me keep it, I’ll share some interesting tidbits with you.

Number one: your Sheriff Grimshaw—I’d check him most thoroughly. I suspect highly fraudulent activity in regards to his handling of government money. As far as killing ol’ Jeb, well, that’s always a possibility, but I can personally vouch for the Sheriff as of last night around 10 p.m. He and that boy Pierre were on watch duty then.

“That doesn’t mean that the sheriff couldn’t have sent some of his men to do the dirty work, though.

“Oh, you’re asking if I killed Jeb? No, who do you think I am? A barbarian? I only kill men who are wanted ‘Dead or Alive.’ I am a bounty hunter, after all! And my men—loyal and obedient to a tee.”
