

BRIBE SHEET: JACQUE

If a player approaches to “bribe” you with a gold coin, read to them the following dialogue. If you’re in a busy room, simply allow them to read the sheet on their own to keep the information partial to the briber and their posse members.

JACQUES’ BRIBE INFORMATION

“Oh, c’mon. Why’s everyone keep on botherin’ me about this? ...Wait a minute, that’s *real* gold? I mean, I could ‘splain a lil’ more, if’n you’ll lemme hang onto that. Permanently.

“Now, look. I just learned Jeb’s name today. All I know, is someone was ruinin’ my summer trappin’ season. I trap beavers. They make good hats. Y’know, them funny top hats they wear in the big cities. An’ they pay *real* good coin for beaver pelts.

“I was after the prize of a lifetime! A white beaver! Oh! She was a beaut! I hunted her for weeks. I placed traps and snares all around that pond. An albino beaver pelt would have let me retire!

“Day after day, the traps were sprung. I finally caught ‘im in the act. I’d snagged that white beaver. And he let it go! That darned old fella had been sabotaging me the whole time!”

“Guess he wanted me outta his valley somethin’ awful. I was so mad, I sure did wanna kill the guy. But I never ran across him again. I spent weeks looking for the beaver, but I never laid eyes on her after that.

Toasts the beer bottle “And that is when the drinking started! Cheers to inebriation!”
