

## BRIBE SHEET: SHERIFF GRIMSHAW

If a player approaches to “bribe” you with a gold coin, read to them the following dialogue. If you’re in a busy room, simply allow them to read the sheet on their own to keep the information partial to the briber and their posse members.

### SHERIFF GRIMSHAW’S BRIBE INFORMATION

“Oh! A coin. Hm, you’ll, ah, let me keep this if I loosen my tongue, eh? Fine.

“Yes, I admit it. I’m not that great with money. Got a bit of a... gambling problem. All that government bond money... some of it *may* have ended up on a poker table.

“But just because I can’t pay off Buck Cletus’ bond money ain’t make me no killer! He’d be your man to investigate. He’s a bounty hunter. He brings ‘em in dead more than alive. I’m certain he couldn’t resist a whole pile of gold.

“Sure, when little Pierre told me about his dad, I thought about the treasure and how nice it’d be, but I never considered killin’ the ol’ guy. It’d be nice to leave this po’dunk town for greener pastures, but I don’t want it *that* bad.”
